Product Facts

Active Ingredients

Sulfurated Lime Solution	(97.8%)
--------------------------	---------

Inactive Ingredients

Inert ingredients

CAUTIONS:

For topical use only on dogs, cats, puppies and kittens. Do not exceed recommended daily concentration. Measure carefully. Avoid contact with eyes and mucous membranes. May cause skin irritation. If eye contact or skin irritation develops, rinse with clean water for at least 15 minutes, stop treatment and contact your veterinarian immediately. If ingestion occurs, rinse mouth with clean water and offer large amounts of milk, egg whites or water.

DO NOT INDUCE VOMITING.

For use on dogs, cats, puppies and kittens.

Lime Sulfur Dip is a sulfur concentrate for treatment of non-specific dermatoses and parasites on dogs, cats, puppies and kittens which are responsive to lime sulfur.

Directions For Use

Wear Gloves. Carefully pour diluted dip over the animal making sure to reach affected areas. Re-apply every 5-7 days or as directed by your veterinarian. Do not rinse or blow dry animal. Do not allow animal to ingest. Apply a protective collar until dry if necessary to prevent ingestion.

DILUTION:

Shake concentrate well. Add 4 oz. of concentrate to 1 gallon of water. After adding concentrate to water, mix well. For chronic or resistant cases, concentrate may be diluted at 8 oz. per gallon of water.

Warning

For animal use only.

Keep out of the reach of children and animals. In case of accidental overdose, contact a health professional immediately.

Must be diluted before use. May stain skin, light colored animals, clothing and porous (i.e. cement) surfaces. Will change the color of jewelry. Use in a well ventilated area. Wear safety glasses.

Storage

Store at controlled room temperature. If a crust or precipitation forms, immerse closed container in warm water for 15 minutes, shake well, and use according to directions. Do not reuse empty container.
